AcademiaEdge is a nonprofit founded by students who strive to make Computer Science more accessible. Through AcademiaEdge we hope to provide an **alternative** to expensive programming classes by offering completely free, accessible, and **high-quality** coding courses taught by **experienced and qualified** course instructors!

The logo features the words "Academia" in blue and "Edge" in green, stacked vertically. A large dark grey shape, resembling a stylized 'E' or a swoosh, is positioned behind the text.

Academia
Edge

Teacher Requirements

- 4.) Recieve 50 Volunteering Hours for their First Course!**

Join Us Today

Apply to be an AcademiaEdge teacher today! Teach and mentor students your favorite programming language. Create your own syllabus and lesson plans! Enjoy flexibility and freedom within your classroom. Always have an assistant teacher on-hand. Gain 50 volunteering hours per course! Be part of a great cause that makes programming more accessible. Fill out the application today!

“

**Computer Science is a liberal
art: it's something that
everybody should be exposed
to and everyone should have
a mastery of to some extent.**

-Steve Jobs
