**AcademiaEdge** is a nonprofit founded by students who strive to make Computer Science more accessible. Through AcademiaEdge we hope to provide an **alternative** to expensive programming classes by offering completely free, accessible, and **high-quality** coding courses taught by **experienced and qualified** course instructors!

The logo features the words "Academia" in blue and "Edge" in green, stacked vertically. A large dark blue swoosh graphic sweeps from the left, starting under the "A" and ending under the "e". To the right of the swoosh, there is a cluster of dark blue circles of varying sizes.

**Computer Science is a liberal  
art: it's something that  
everybody should be exposed  
to and everyone should have  
a mastery of to some extent.**
